

INTRODUCTION TO

BIBLE PROPHECY

New Sermon Series : January to Easter 2023

People have always been intrigued to know the future. Yet although one third of the Bible is prophecy, there is still much ignorance, apathy and confusion on the topic amongst professing Christians today. But this doesn't have to be the case. In fact, contrary to what you might think, it's actually not all that hard to understand. God promises a blessing to those who read, study and understand prophecy as it is written in His Word, so beginning **Sunday 29th January** through to **Easter 2023** we will unpack this amazing subject together. All are welcome.
